## EARLHAM TAKES HARD-FOUGHT GAME

WIN UP-HILL FIGHT 6 TO 4

Williams Shows Best Form in Game  
With Hanover, Dropping Ball  
Over Fence for Homer

In a hard fought game Earlham succeeded in trimming the fast Hanover bunch on Reid Field yesterday afternoon by the score of 6-4. After the fourth inning the game was an uphill fight for the Quakers, but they were equal to the occasion and pulled the bacon out of the fire. Earlham started out strong scoring three runs in the first. Vickery, the first man up worked the Hanover twirler for a pass and Brubaker got a clean single advancing Vickery to second. Williams came to bat then with his mighty war club and knocked the ball over the centerfield fence for a home run, the other two men scoring ahead of him. Hanover was easy in the first. Kehoe the first man up fanned, but James the next man got a single, was forced at second, and the trouble was over.

In the next inning the Hanover men were put away easily, the first fanning and the next two offering easy infield chances, which were handled cleanly. The Hanover pitcher was a little wild in the inning, hitting both Evans and Vickery. No hits were forthcoming though, and the side was retired runless. Crist, Hanover's pitcher got a nice hit over first in the third, but was left stranded on first. In Earlham's half Brubaker, Williams and Beard fanned but Beard was safe when the catcher missed the third strike. Bogue was an easy out to the pitcher.

Hanover succeeded in pushing two runs around in the fourth. F. James, the first man up was an easy out to second, but the next man hit a high fly to Stanley who muffed it. Swan, the

(Continued to Page 3.)

### WORDS ACCEPTED

The judges of the Earlham Press Song Contest have accepted the words presented by the College Song Committee. The words are of a snappy, fighting kind that can be used at all athletic events as well as at other college gatherings.

The Song Committee will present the song to the student body in chapel some day next week. The song, words, four parts and accompaniment will appear in The Press next week.

## LIBRARIANS AT EARLHAM

The Summer School for Librarians will be held at Earlham from July 2 to August 12. The school is opened to persons actually engaged in Library work or having definite appointments to positions.

There will be a tuition fee of ten dollars to students from outside of the state, but the course is free to all Indiana librarians.

The instructors will be Miss Scott, Miss Williams and Mr. Milan of the commission and an instructor in reference to work to be selected.

A special feature of the course this year will be two or three days' sessions devoted to the general theme of the socialization of the library. Many prominent speakers will be secured to speak upon this subject.

## REPRESENTATIVES MEET

ARRANGE FOR NEW COURSES

Plans Discussed for Offering Extension Work in the Biblical Department

An important meeting took place at the college Tuesday, between certain representatives of Indiana and Western Yearly Meetings, President Kelly and Professors Elbert Russell and Murray S. Kenworthy, relative to an extension of work to be offered by the Biblical Department.

From time to time officials and workers in the church have spoken of the desirability of offering to young workers some essentially practical training in the various church activities which they are called upon to assume. Some time ago President Kelly addressed a communication to the evangelistic committees of the two Yearly Meetings, asking their help and co-operation in arranging for such instruction at Earlham. The meeting Tuesday was the second that has been held in response to that communication, indicating the cordiality with which it was received.

The visitors, David Hadley, a member of the Board of Trustees, Thos. C. Brown, Eliza Armstrong Cox, Richard Haworth and Ancil Ratliff, went over the ground thoroughly with President Kelly and the members of the Biblical Department. All the various activities of the church were given due attention and a plan of courses was outlined to cover the phases of work emphasized by the Five Years' Meeting at Indianapolis last fall.

Two courses—"The Country

(Continued to Page 4.)

## DR. McKENZIE AT COLLEGE

Dr. Douglas McKenzie, president of the Hartford, Connecticut, Theological Seminary, was here yesterday in conference with President Kelly. There are now in the Hartford school a dozen young men representing the various Yearly Meetings of the Friends Church in the United States, with a prospect of more in the near future. Impressed by the work and character of these young Friends, the Seminary authorities are proposing to give special consideration to the church they represent, by the creation of a special Friends' department or "college" in the Seminary. It is understood that the twelve young men now in attendance are enthusiastically supporting the project.

## SENIORS WRITE THESES

MANY DO ORIGINAL WORK

Less than 25 Per Cent. Elect to Substitute Six Hours Extra Major Work for Thesis

Thirty-seven members of the graduating class of 1913 are writing theses, while twelve are substituting extra work, as allowed by the faculty ruling of last year. It is interesting to note that in last year's class, the first to be effected by the above mentioned ruling, over 40 per cent. of the members elected to do extra work, while this year less than 25 per cent. are doing so. Of these, six are majoring in Mathematics, five in Ancient Languages and one in Biology.

The theses now being written cover a wide range of subjects and represent much original work upon the part of the writers. A classified list is as follows: English; "A Translation of King Alfred's Proverbs," Mary Elliott; "Helen Hunt Jackson's Criticism of the Treatment of Indians in America," Margaret Hampton; "The Real 'Great Divide,'" Rubie Jones; "The Influence of the Latin Drama on the English Drama," Mary Morrow; "Whittier's Reformatory Influence," Mabel Neal; "The Trend of Revolutionary Forces in 19th Century English Literature," Hazel Oler; "American Colonial Literature," Russell Ratliff; "The New Romantic Note in Modern Literature," Gertrude Simms; "Literature of the New South," Mary Emma Smith; "Ethics of Biography," Isabel Thomas; "The Place of Art in Education," Thos. B. Stanley.

(Continued to Page 3.)

## EARLHAM LOSES CLOSE MEET TO INDIANA

QUAKERS SHOW GOOD FORM

Crimson Team Wins in Exciting Meet by a Narrow Margin, the Score Being 68½ to 57½

In a close, hard-fought contest, Earlham lost to Indiana in their annual dual track and field meet last Saturday, by a score of 68½ to 57½. The weather was ideal and the track was in splendid condition. The meet was attended by a large crowd and was held on Jordan Field.

The captains of the respective teams were the individual stars of the meet. Stanley of Earlham making three firsts in the weight events and Bose of Indiana taking first in the two dashes and the quarter. J. Roberts had little difficulty in taking the low hurdles and ran a very close second to Daniels in the high hurdles. He also took second in the high jump with a leap of 5 ft. 7 in. The work of W. Roberts in the pole vault is worthy of note, as he cleared the bar at 11 feet, which is only 1¾ inches below the Earlham record made by Conrad three years ago. Johnson won the broad jump and also took second in the 100 and 220 yard dashes.

The team as a whole showed much improvement over their work at Purdue the week before, and with two weeks hard practice before the next meet, the prospects of winning the I. C. A. L. are very promising. The strength of the team lies in its large number of second and third places, as is evident from the fact that Earlham won five firsts out of a possible fourteen, and only lost the meet by a 10-point margin. The following is the lists of events and scores:

100-Yard Dash—Bose (I) first, Johnson (E) second, Erehart (I) third. Time, 10 1-5.

One Mile Run—Morrison (I) first, Thompson (I) second, L. Winslow (E) third. Time 4:16 2-5.

220-Yard Dash—Bose (I) first, Johnson (E) second, Erehart (I) third. Time 22 4-5.

(Continued to Page 3.)

## EARLHAM ALUMNI PICNIC

The annual spring meeting and picnic of the Philadelphia-Earlham Club will be held on Saturday, May 24, at George's Hill, Fairmount Park, Philadelphia, at 3:30 P. M. Supper at 6 P. M. Take Baring Street Car or Subway and transfer to Fifty-second Street Cars. R. S. V. P. to Lillian Rae Chandlee, Secretary, 3212 Summer Street, Philadelphia, at once.

## CHAPEL EXERCISES

On Monday, Mrs. Elsie Hadley White, of the Class of '88, wife of Maj. Frank White, ex-governor of North Dakota, addressed the students in chapel Monday morning upon the general subject of religious training in the public schools of our country. She stated that the time would not be far distant when the high schools would give half credit for constructive work done in Bible classes for this is already being practiced in many states.

On Tuesday morning Mrs. Eliza Armstrong Cox had charge of the devotional exercises.

Wednesday morning, Dr. Dennis gave one of his usual interesting and original talks. He described his trip to Arizona last winter and gave some lantern slides to illustrate.

## JUNIORS PRESENT FLAG

A beautiful and patriotic scene was displayed in the Earlham chapel Friday morning. The occasion for this scene was the presentation to the college of a large 7x14 American flag by the Class of 1914. H. Paul Hall, president of the class, made the presentation speech in a most fitting manner, and "Old Glory" was received with hearty applause.

Pres. Kelly accepted the flag on behalf of the college and gave assurance that it would be displayed on proper occasions and thanked the Class of 1914 for this symbol of loyalty, not only to the college, but to the state and nation.

## A TOURNAMENT POSTPONED

Wet Grounds Prevent Matches from Being Started Wednesday

The girls' tennis tournament was to have started last Wednesday afternoon, but on account of rain will be started Monday. The singles are to be played off first, after which in all probability a tournament of doubles will be played.

Some of last year's stars are

out again and good tennis playing has been seen in practice. From the prospects so far it will be a very close contest as to who will be the winner.

The matches are as follows: G. Cooper vs. D. Jones; R. Fagan vs. E. Shute; M. Jones vs. G. Compton; D. Coover vs. G. Parks; R. Cox vs. E. Chapel.

The I. C. A. L. tennis tournament will be started at 9 o'clock Friday morning, May 23, and will continue during the day and finish Saturday morning. Each school entered will play both singles and doubles and for their representatives they will have racquet sharks, and some good tennis is expected. There is a possibility of seven schools entering this tournament. They are Hanover, Wabash, Franklin, DePauw, Rose Poly, State Normal and Earlham.

Hanover captured the doubles in tennis last year at DePauw and if they have the same representatives as last year, the other colleges in the league will have to spruce up. DePauw won the singles with Earlham second and from present indications Earlham is going to do better this year. There are eight men who are pretty evenly matched and it is hard to pick a team for the meet, but in all events Earlham will put up a strong fight.

All the entries will be in the hands of the tennis manager and Coach Thistlethwaite before Monday evening. The schedule of tournaments will be posted as soon as possible.

## ASSISTS RUFUS M. JONES

Prof. Harlow Lindley, who was expecting to make a trip to Detroit in connection with some work which he is doing with Rufus M. Jones upon a "History of Friends Since the Colonial Times," has postponed the trip for a few weeks. Prof. Lindley's work in connection with the volume which Rufus Jones is writing, will be upon the history of Friends in Indiana and Ohio. A volume dealing with the history of Friends up to the end of Colonial times has already been published and the new one will follow within a year or two.

## COMMENCEMENT DATES

This is "open season" for commencement addresses with President Kelly. Invitations have been coming to him from all parts of the state—at home as well as at a distance—and of these he has, up to date, accepted nearly twenty. Some of these dates have already been filled.

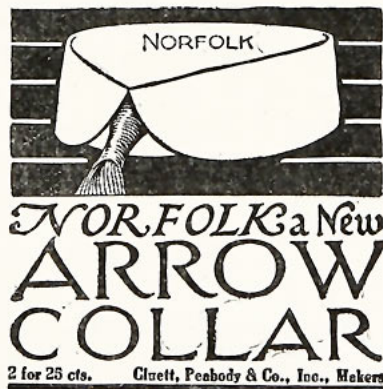

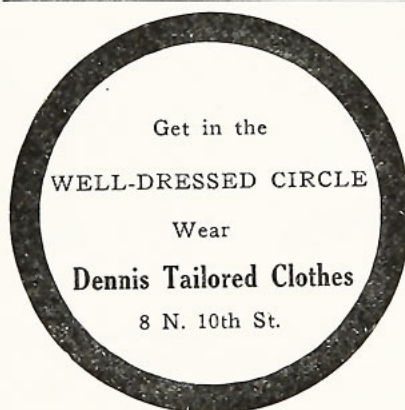

Last night he delivered the address at the Commencement exercises of the Carthage High School. Next Friday night he delivers a like address in the south-

ern part of the state at historic Corydon, Indiana's early capital. Among other similar dates are those to be filled at Auburn, Alexandria, Frankfort, Wabash and at Richmond. He will also, as last year, preach the Baccalaureate sermon before the graduates of the Teacher's College of Indianapolis.

## FROLIC AT JACKSON'S PARK

The Junior-Freshman Frolic will be held Friday afternoon and evening of June 9. The social committees of the two classes are working together and rounding plans into shape for this joyous occasion. It is the intention to hold the affair at Jackson's Park this year and special cars will be arranged for this occasion.

H. Paul Hall, a member of the Junior Class has accepted a posi-

## Earlham Takes Hard-Fought Game

(Continued from Page 1.)

next in order, grounded out to Williams, McLaughlin and Pitts each got hits in succession, Dawson and McLaughlin scoring. The feature play of the game was made in this inning when Williams ran back into short right and pulled down Shay's Texas leaguer, retiring the side. Crist was going good and the chances looked slim for more Earlham scores, although Brubaker was passed in the fifth and succeeded in getting around to third before the side was retired.

Two more runs were made in the sixth by Hanover. McLaughlin and Pitts were given free transportation and Shay sent a fast one to third, which Bogue muffed, McLaughlin scoring. Crist singled, scoring Pitts and Kehoe ended the agony by fanning.

Earlham waited until the eighth to even up the score and incidentally to add two more for good measure. Brubaker, the first man up, was passed and Williams singled over second scoring Brubaker. The style of play was changed then and the change proved very satisfactory from the Earlham point of view. Beard struck out, but Bogue bunted and was safe, Williams scoring on the play. Sanders went to bat for Doggett and also bunted safely. In the meantime, Bogue stole second and scored on Evans bunt. Hanover finally got on to the style of play and retired the side, but Earlham had scored enough runs to win the game.

Williams was the star of the afternoon, carrying off both the batting and fielding honors. His catch in the fourth was one of the best pieces of work seen on Reid Field this season. Evans returned to the game after being out for the last two weeks with a sore arm and pitched good ball. The Earlham spirit was shown again in the eighth when with the score standing 4-3 against them they came back strong and pushed three runs over.

Wm. Sanders has returned to school after spending a week at home on account of the sickness and death of his mother.

## SOCIETIES TO GIVE PLAY

### WILDE'S GREATEST WORK

"The Importance of Being Earnest"  
Is Decided Upon as Commencement Week Play

The Ionian-Phoenix Societies yesterday afternoon announced their annual commencement play for 1913. The play selected for this year is one of Oscar Wilde's famous productions, "The Importance of Being Earnest." This is one of the most difficult dramatic productions ever undertaken at Earlham, but the two societies seem to have an abundance of good talent so that the public will be given a rare treat.

The story is a quite complicated affair in three acts. It is a unique love story, in which two men and two girls figure back and forth. The names of the two men are in doubt until the close of the play, when it is found that the disclosure of the name "Earnest" settles the whole question.

This play is rarely ever presented for the royalty is rather high on it yet, but the two societies feel that they are going to give the public the greatest thing along the line of dramatics that has ever been given. Admission to the play will be free.

T. H. Cox from the Ionian society and Miss Mary Taylor from Phoenix, along with Prof. E. P. Trueblood and Miss Johnson have been conducting try-outs for the past week and have selected the following cast with a few of the parts still tentatively assigned: John Worthing... Brandon Griffis Algernon... Maurice Chandler Chasuble... Fred Hollowell Merriman... Fred Hadley Lane... Mark Mills Lady Bracknell... Ruth Clark Gwendolyn Fairfax

Lorine Pearson (tentative)  
Cecily Cardew

Hazel Meek (tentative)  
Miss Prism... Elsie Chapel

## FEMININE FINANCIERS

### CO-EDS RAISE GENEVA MONEY

Squads Compete in Varied Pursuits  
to Gain Wherewithal to Send  
Delegates to Conference

In order that Earlham Hall may have a number of representatives at Geneva during the Y. W. C. A. conference, which is held at Geneva in August, an unusually interesting program is being worked up by the Earlham Hall women. The entertainment will be in the nature of an illustrated lecture on the various phases of Earlham life. A number of lantern slides of educational value will be secured from the Morrison-Reeves Library to show along with those of lighter vein taken from life at Earlham. The date for the entertainment has not yet been set.

Other unique plans are being put into operation in order to swell the fund. The women have been divided into groups and a varied assortment of trades and professions are being put into practice. Candy making, shoe shining, hair dressing and many other helpful occupations of similar nature are being used to increase the fund.

### ELECTED TO CRIMSON STAFF

How would you like to have someone say this to you all at one time, "Find out who is the tallest waitress in the hotels of New York." By successfully accomplishing this task, Dwight Ingram of Richmond has become the only Freshman who has ever been elected to the staff of the Harvard "Crimson."

At the beginning of the fall semester all the candidates for the staff of the "Crimson" which is published by the Harvard Press Club, enter a contest and are assigned tasks to perform and stories to look up.

The real fight begins when the contestants are narrowed down to three or four and they are given problems like Mr. Ingram's. The longest bridge over a certain river, or the richest man on a given street are tasks often given.

Mr. Ingram is rooming with Bernhardt Knollenberg, who graduated from Earlham last year and is doing graduate work in the Harvard law school.

### E. E. CLUB BANQUET CHANGED

The E. E. Club has decided to have a camp supper in place of a banquet which was to be held June 14. A number of the members are to be gone on that date, and as all the other dates are spoken for, it was necessary to arrange for a camp supper. Further arrangements will be announced later.

## REPRESENTATIVES MEET

(Continued from Page 1.) Church and Rural Problems" and "Making the Sermon"—have already been arranged for and will be offered by the Biblical Department next year. In addition to these, courses were outlined Tuesday covering Sunday School Work, Pastoral Problems, Prophecy and Personal Evangelism.

This additional work will involve the calling of another man to the Biblical Department as soon as sufficient funds are available for that purpose.

Mrs. Cox delightfully entertained a number of her friends at a four-o'clock tea on Thursday afternoon. The affair was in honor of her sister, Mrs. White of North Dakota, who has been visiting the college for the past week.
